Question: How do I report a possible security concern involving the Chemical Facility Anti-Terrorism Standards (CFATS) regulation at your facility or another facility?

Answer:

If you would like to report a possible security concern involving the Chemical Facility Anti-Terrorism Standards (CFATS) regulation at your facility or another facility, you may contact the CFATS Chemical Facility Security Tip Line at 877-FYI 4 DHS (877 394-4347). You are welcome to report these concerns on the voicemail anonymously, or, if you would like a return call, please leave your name and number. If you are calling to report a potential security incident that has already occurred, please call the National Infrastructure Coordination Center at 202-282-9201. If you have a security emergency or terrorist incident, please hang up and call the FBI or 911 immediately.

If you have questions about CFATS in general, please call 866-323-2957.
